Mr. James H. Lesar, ESQ.
918 F Street, N.W.
Room 509
Washington, D.C. 20004

Dear Mr. Lesar:

This is in response to your Freedom of Information Act (FOIA) request to this office dated December 10, 1986, for all records pertaining to William Bradford Huie and his book "He Slew the Dreamer".

A search of the index to the central records system and the Elsur index of this office failed to disclose any record pertaining to "He Slew the Dreamer".

The search of the index to the central records system of this office did disclose references to a name similar to Mr. Huie's; however, since we have not yet had time to retrieve and review these records, we do not know at this point whether the indicated records are identifiable with Mr. Huie.

We are making every effort to expedite the research, processing and release of documents for each request; but unfortunately due to the volume of requests, there is some delay. Please be assured that your request is being handled as equitably as possible and any releasable records will be made available at the earliest possible date.

The search of the Elsur index to this office failed to disclose any record pertaining to Mr. Huie.

Your patience in this matter will be appreciated.

Sincerely yours,

W. Douglas Gow
